My God Never Gives Up

*All the qualities I can imagine
Embodied deep within my soul
Gifted words to motivate me
To be a better human being
I am at peace with God
Even when I neglect what is asked
My guilt is my own
When I am released from guilt
I will become my enlightened self
The eye that sees freely
Focussed on many things at once
Free from shadow, pain, want
To live and breathe purpose
Thank you God for accepting my wrongs
And making me want to do right.*
