Big Brothers Big Sisters

It is with great sadness that we announce the passing of our father, brother, uncle, friend and papa, Fred LaVallee, on Saturday, June 11, 2016 at the age of 73 years. He was such a big part of our lives and very involved in volunteering in the community. He loved watching sports, especially if his grandchildren, or the grandchildren of longtime companion Hilda Rathgeber, were playing.

Fred liked to start his day with the Leader Post crossword and news, and you never found him without a cup of coffee in his hand. He enjoyed gardening, dancing and watching Western movies.

Fred was always willing to help out, whatever endeavour was at hand. Whether helping neighbours in the backyard, building fences, selling tickets or burgers at a fundraising barbeque, he was always ready to volunteer his services.

Fred's favourite pastime though, was spending time with family. He always had a roast cooking anytime someone was coming to visit, and you couldn't beat his homemade breakfast in the morning. His grandchildren were his pride and joy, and he never failed to cut out a newspaper clipping of their achievements that he proudly displayed.

Fred has left a huge hole in so many hearts, and many people will miss his generosity and willingness to help, most of all his family.

In Loving Memory

The Serenity Prayer

God grant me the serenity
to accept the things I cannot change;
courage to change the things I can;
and wisdom to know the difference.

Fred LaVallee

1943 - 2016
